

Welcome to the Simplera™ system

Congratulations! Welcome to the Simplera system community.

Access the continuous glucose monitoring system directly on a mobile device. With the Simplera system, a mobile device can display sensor glucose information and provide alerts. To get started, follow the steps.

Create a CareLink™ account

1

CareLink™

Visit the CareLink website to create an account or log in with an existing CareLink Personal account.

Download the Simplera app

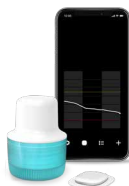

2

Search for and download the Simplera app from the Apple® App Store™ or the Google Play™ store on the supported mobile device.

Learn how to use the Simplera system

3

Use the information provided in the getting started guide, user guide, and Simplera app Help section to learn how to use the Simplera system. Contact the local Medtronic support representative for more assistance.

Scan this QR code or visit <http://www.medtronicdiabetes.com/SimpleraVideos> to access videos that provide information on how to set up and use the Simplera system.
